Inspired by the highly skilled artisans that began an architectural movement stressing hand-shaped materials and harmony with nature, Florida Tile brings you Craftsman. This collection embodies the same qualities of innovative design, extraordinary artistry, and the American spirit represented by these revered innovators from the turn of the 20th century.

Craftsman glazed porcelain floor and wall tile is fashioned with a classic marble aesthetic and features two warm color options of Biscuit and Wheat. Biscuit is a calm, elegant cream with subtle highlights of gray and gold. Wheat conveys an

understated charm with its palette of deep beiges and distinct strains of dark gray and brown. Formats offered are 12x12 and 12x24 field tile and a 25-piece mosaic in each color.

Craftsman glazed porcelain floor and wall tile is appropriate for most residential and commercial interior, dry and wet applications including walls, countertops, backsplashes, and floors. Made in the USA at our Green Squared® certified Advanced Manufacturing Center in Lawrenceburg, KY, it includes pre-consumer recycled content and is GREENGUARD® and Porcelain Tile certified.
