High Definition Porcelain™

shown on front: **28395 8x36 Mahogany**

Magnolia^{HDP} takes inspiration from the fragrant tree unmatched in its year-round beauty. Combining large-grain patterns and gentle saw marks that mimic minor imperfections inherent to natural hardwoods, this collection provides the durability of porcelain tile without the maintenance and worries of a real wood.

Available in 8x36 pressed planks, Magnolia^{HDP} features six beautiful color options: Four classic wood stain colors: Chestnut, Mahogany, Burl and Cherry; and two contemporary colors: Ash and Fir.

Manufactured using proprietary HDP—High Definition Porcelain® printing technology and with the technical performance of porcelain, the Magnolia^{HDP} collection is appropriate for most residential and commercial wall, countertop, backsplash, and floor applications. It is made in the USA in our Green Squared Certified®, Advanced Manufacturing Center in Lawrenceburg, KY. It includes pre-consumer recycled content and is GREENGUARD® and Porcelain Tile certified.
